

Guide to applying for scholarship grants

Applications to the Carl Schlettwein Foundation must include the following information and documents:

- Name of the applicant, academic position, nationality
- University, department/faculty, institute or seminar
- Name(s) of the academic supervisor(s)
- CV with copies of academic certificates
- Reasons for the application accompanied by 2 (two) testimonials, at least one from an academic referee
- Research area and research proposal
- Time plan
- Detailed budget (in the local currency)
- Are you applying, have you applied or will you apply for other grants to support this research? What sums have you been promised, guaranteed or have you already received?

The application must be submitted by the academic supervisor. Grants are not paid into private accounts.

The support of the Carl Schlettwein Foundation must be appropriately acknowledged (without mention of the size of the grant) in any publications, papers or university assignments that arise out of this scholarship.

Two copies of all publications, papers or university assignments arising out of a scholarship must be sent free of charge and post-paid to the Foundation.

The Foundation must be informed immediately of any changes relating to the application, and especially to the above-listed items.

If the agreed conditions are not met, the Foundation reserves the right to withhold the promised funding or to reclaim funds, in full or in part, that have already been paid out.

Application deadlines are 28 February and 30 September.

The decisions of the Board of Trustees are incontestable.
